"Help for the desperate, those willing to seek Jesus Christ for the answers in their lives"

We had a very busy month of December! What a great closing to a great 2024! We had staff dinners, a staff party, went to a love feast, lots of worship services, performed a live nativity and even managed to have a yard sale. We were very blessed by the outpouring of Jesus' love through the gifts we received and the Christmas sponsorships. We also blessed our teachers with some homemade goodies for all their dedication throughout the year. We made an Advent calendar with the names of Jesus and were able to learn more about who He is through the daily scripture readings. We had lots of great fellowship and played lots of fun games as a family. The residents are really learning what it means to have fun in the Lord and what the real reason for living is...Jesus!!

The Lord make His face
shine upon you, And be gracious to you...

MORTGAGE PAYOFF 2025

Dear Friends & Family,

As most of you know, Mission Teens has 20 centers across the United States. We have been in business since 1969, nearly 40,000 men & women have entered our ministry. We still have an 88% success rate and attending our program is still free. Over the past several years we have had to yield to the governmental authorities and make some changes to our infrastructure in some cases. We have six outstanding mortgages, and we have two new mortgages we recently had to obtain to remain in business. We are asking for your help to pay off these loans. We really need your help. Please mail your check to Mission Teens Board of Directors Fund, P.O. Box 248, Gastra, Michigan 49927 (mark Mortgages in the memo) or you may remit through PayPal truevine@uplogon.com

If you have any questions, please call 906-265-9645 or e-mail us at truevine@uplogon.com

Thank you and God bless you.

Steve Schwartz

Chief Executive Director

My name is **Marena Bennett**. I am 47 years old, from Gideon, MO. I had a drug/alcohol problem for approximately 25 years; however, I had been mostly sober since 2017 with a few relapses here and there, that is not what brought me to Freedom House. What brought me to Freedom House was a lifetime of darkness, not only with drugs and alcohol, but also with promiscuity, demonic worship, and witchcraft that completely consumed me. I had countless mental and emotional issues, not to mention spiritual emptiness. By the time I walked into Freedom House, I was physically, mentally, and spiritually destroyed. I have been here a year on November 4th, since being here I have been saved and Jesus has blessed me with so much restoration, not only with my family, but also with my mind. He has restored my relationship with my children and my grandmother, who had not spoken to me in years. Jesus has restored my spirit, and not only restored my mind but has given me a new one. He has given me back my dignity, self-respect, self-esteem, and confidence. He builds my faith each day by watching Him work in the lives of the brothers and sisters around me, as well as my own. At Christmas last year, I prayed for milk. Jesus abundantly answered my prayer, when a few days later a full box truck full of milk was delivered. 1 Corinthians 5:17 says, **“Therefore, if anyone is in Christ, the new creation has come, the old is gone, the new is here.”** By the grace of God, I am a new creation today!

Matthew 5:16

Our building projects are in full swing. Even with the busy month of December, we were able to get a lot of work completed on the new women’s space. Our prayer is that we will have this completed and the women moved over by the time of our banquet (March 15th) Please ask the Lord how you can be a blessing to this project. We have already purchased many of the fixtures and building supplies. We had someone donate enough money for all new mattresses and someone else purchased all of the sheet sets. We have purchased the dressers for the residential space, and we have had several people order the quilts from our Walmart and Amazon lists. We will be needing 18 sets of heavy-duty bunk beds, vanities, paint and the dressers for the staff dorms. We will continue to update our needs lists as the time gets closer. ***Please pray for us to get this complete, for the remaining items to be purchased and most importantly for the Lord to fill all of the beds that this new space will create. Thank you for remembering us in your prayers.***
